

Water Usage

Water usage is based on the meter reading for the current period. ESTIMATE indicates we were unable to get a reading. If your current bill is estimated, call Customer Service at 651-266-6350 with a reading. Note: 100 cu. ft. of water equals 1 unit or 748 gallons.

Billing Periods

Accounts are billed quarterly for residential and monthly for commercial.

NOTE: "Due Date" means date to be received by the SPRWS. The SPRWS is not responsible for late payments caused by a delay in the mail service.
